

KRISTA'S SPEAKING TOPICS

OPTION 1: *Reclaiming Home*

Families today need hope, inspiration, and practical ideas for deeply-rooted connection. There are countless distractions and obstacles that make life busier and more hectic. Krista asks the question, "How do we carve time for a solid family life and well-nurtured relationships in the midst of such a pace?"

>>>> In this session Krista will provide an interactive discussion as she offers up creative, life changing solutions to these modern day dilemmas, guiding listeners down the path of living life on purpose.

OPTION 2: *Reclaiming our Spiritual Home*

Before we can reclaim our physical homes, we often need to tend our spiritual homes. Krista will discuss the many reasons we neglect this part of our lives, and will offer compelling and inspiring reasons why this is critical to not only the well-being of our souls, but also to the well-being of our families.

>>>> In this session Krista explores what it means to truly come home.

OPTION 3: *Reclaiming Home for the Holidays*

>>>> Krista provides practical solutions to this dilemma that will transform your experience during the holidays and help create meaningful moments with loved ones.
